

41st ANNUAL GREAT ALOHA RUN
Presidents' Day, Monday, February 17, 2025

ROAD CLOSURES NOTICE

With the return of an anticipated 12,000+ entrants expected, the Great Aloha Run will again be a very large road race held on the streets of Oahu. Despite the best efforts to minimize traffic disruptions resulting from this race, some road closures will occur. Coordination with the Honolulu Police Department; State Sheriff Department, Department of Transportation; and C&C Department of Transportation Services has determined the following traffic closures necessary. Hopefully, knowledge of road closures will enable drivers to avoid needless frustration and undesirable delays by planning in advance.

<u>ROAD:</u>	<u>FROM:</u>	<u>TO:</u>	<u>CLOSED:</u>	<u>OPEN (approx.)</u>

Salt Lake Blvd. (U-turn @ Kalaloe St.)	Kalaloe St. (BOTH DIRECTIONS)	Kamehameha Hwy.	6:45 a.m.	After Race Passes

Some tips which might make travel easier:

*Ewa-bound traffic to Downtown will be diverted onto South St. and from there use South Beretania St. to Punchbowl St. to get onto the Freeway. Traffic on the elevated portion of the freeway should be light.

*Avoid using the Middle St. and Dillingham Blvd. intersection, as delays on these streets may result from the closure of the Middle St. Interchange.

The Honolulu Police Department will attempt to let cross-traffic flow through once the bulk of the runners have passed. Most roads should be re-opened to cross-traffic by 9:00 a.m., and Salt Lake Blvd. between Kalaloe St. and Aloha Stadium should re-open by approximately 9:45 a.m. Your patience, support, and consideration through the past years has been greatly appreciated. The Great Aloha Run could not occur without the outpouring of community spirit each year. We hope you and your employees will join us in this event.
